Hi Bill,

Please let us know what the Councilmember decides. A photographer will be taking pictures of the mosaics this Friday morning for post cards. The post cards will take about 3 weeks to be complete.

If the images are provided by next week to Misty, that will give us about the week of November 6th to have them delivered.

If we stick with November 14th (considering the councilmember's availability) we have a shorter turnaround time. If we go with November 20th, it gives us another week out. We have to start planning really soon.

Let us know if you have questions.

Thanks

We wanted to do it on a farmers market day so a Tuesday would be best as we will have a built in crowd and street closures.

Hi

If the councilmember is able to attend on the 20th I am okay with it.

Only issue now is figuring out where in terms of the location.

Thanks

Hi,

Nice to see you this morning.

I have asked Austin (LADOT) and Esteban (Axiom Group) to confirm if **November 14th** is a strong date to hold the unveiling of the mosaic tile located in front of the Council Office.

As soon as I receive confirmation, I will inform you so that we can begin planning for the unveiling.

Also, I plan to distribute Public Notices to business owners this Friday morning, and for reference, I am sharing the next steps based on our meeting on September 5th.

Next Steps:

- Austin to provide drawing of fixed 2% slope to BOE for approval.
- LADOT to create installation schedule after BOE approval of drawing.
- Bill to contact LA Film about installations.
- Place Tile Unveiling in the Fall Newsletter- Misty will contact Steve Weingart about this. The Fall Newsletter is released in November.
- Misty to Invite Discover LA and Angels Walk to the Unveiling.
- Arturo to create a Press Release.
- Misty to take photos of the prepared mosaics, Friday, September 9th.
- Misty to provide LADOT with the check on behalf of the North Figueroa Association.

Thank You
